

17th June CME

"Medicolegal Challenges For Obstetricians & Gynaecologists"

- CME started with informative lecture by Dr.Chimmayee Ratha on Different Marker tests and NIPT and Panel discussion covering all aspects of it including timing of tests and was enjoyed by everyone because audience participation.
- Dr.Santosh Jaybhaye emphasised importance of documentation as timely reporting and documenting sequence of events ,treatment and communication between Patient & Doctors is absolutely necessary.
- Dr.Girish Kumthekar elaborated in detail about medicolegal responsibility of nursing home owners, corporate set up and attached consultants.At many times we are not aware of exact role of each one...in case of untoward incidence.
- Dr.Alka Kuthe Madam spoke about nuances of PCPNDT and its implementation.Topic of discussion e as whether it is affecting safe abortions.As there is general scare of PCPNDT and even MTP act.
- Dr.Hiten Bhat covered very sensitive topic which dread all doctors....."On Table DeathHow to handle this situation" Although unfortunate event for everyone,proper communication between

doctor, patient's relatives and authorities can prevent lot of damage and also timely medicolegal help saves lots of legal harassment.

- Dr.Manish Machave spoke humorously about "Managing Smart Patients Medicolegally"
- Dr.Rahul Wani explained in detail about "Notifiable Incidents"& also about MPCB Registration.
- AMC President Dr.Vipin Checker cleared all the doubts about "When called to Police Station.....What next?"He emphasized the need of standing together as fraternity...and having friendly relations with all the colleagues and authorities.
- All sessions were interactive and enjoyed by all delegates.
- CME was followed by Lunch
