Theme,

**COMPLICATIONS**

Detect ♦ Correct ♦ Prevent

Obstetrics and Gynecology is a field where every decision counts, and every complication can have a profound impact on patients' lives. As healthcare providers, it's crucial to stay vigilant and equipped to handle the unexpected. This conference aims to delve into the complexities of ObGyn complications, exploring the latest research, best practices, and expert insights to enhance patient care and outcomes.

Updates 2024 has

Two orations by esteemed Orators

Panel discussion on complications in ART and Post Partum Collapse.

There are talks by well known speakers covering important topics with clear take home message

We have specially curretted Hands on Workshops on  
**In Utero Insemination**

**Suturing Techniques and Third and Fourth Degree Perineal Tear Repair**

**Ultrasound workshop with Simulator**

Join us for a thought-provoking conference where we'll confront the challenges of ObGyn complications head-on.

Let's work together to improve patient outcomes, advance our knowledge, and enhance the field of Obstetrics and Gynecology.
