Incoming President's Message

Dr. Mini Nampoothiri

Dear friends,
This is the 5th IMPACT CME that NMOGS is hosting. As you all know, this CME is dedicated to socially relevant topics, not necessarily restricted to O&G. This also is the time when the new team takes over from the previous one. The outgoing team has done a wonderful job with Dr Sucheta Kinjawadekar and Dr Jyoti Bobe at the helm.

A captain is only as good as the team is. Hence, I solicit unconditional support from each and every one of you to take NMOGS to greater academic heights. In the present world, with the increasing longevity, healthy or otherwise, this topic of Palliative Care is extremely relevant . On behalf of NMOGS, I extend a warm welcome to one and all.
